**A mighty bass sound with unearthly volume.
The ultimate in ultralight presence.**

Visually this instrument comes along in a noble deep black satin; black fittings and black PowerMax2 or MX 2 heads perfect this impressive image. By hardwood rims and UNS protection of the rim edges and a shell surfaces sealed with scratch protection it counts at the same time to be the most durable drums.

Design features

Ultra-light built waterproof bonded hardwood shell (standard shell color: deep space (scratch resistant) satin) and rims with integrated UNS rim protection, in claws sunk-in tension screws, black fittings, heads with integrated „free-floating“ felt segment muffling, 4 stainless steel carrying loops, tuning key
