This single headed drum is not only lighter but also much louder than common models and can be tuned at a lower pitch. It is also best suitable for the usage as bass tom.

Models for these field drums were the instruments of the mercenary troops of the 15th And 16 Century. With the development of her ultra-light drums in the year 2000, Lefima sets standards also at field drums. The sensationally low weight is completed by a voluminous sound and modern tension screw technology. Colours and designs orientate at the checked clothes of the soldiers.

Design features

Ultra-light built waterproof bonded plywood shell with integrated overtone filter, chromed triple-flanged rims respectively wood rims, ring muffler, 2 carrying rings, tuning key
