We recognize the importance of encouraging budding young players within the world of brass band and marching drum corps and have created a new, specially designed range of light-weight marching drums aimed at the more youthful marching musician.

Our new range within the “UltraLeicht Kid's Line” are beautifully balanced and load weight is reduced without sacrificing power or projection. Serious instruments, great fun and comfortable to play, the new “Kid's BUL line” will integrate perfectly within the dynamic range associated with the more senior marching performer.

Design features

Ultra-light built waterproof bonded plywood shell and rims, in claws, sunk-in tension screws, 2 ring mufflers, 4 carrying loops, tuning key
