This drum model obtains its classical elegance by the harmony of selected refined a powerful bass producing wood and the vintage drop lugs, which are hand-polished and chromed.

Stainless steel carrying hooks and Sunk-in tension screws a matter of course like on all Lefima drums.

Double-Sound

All classic models can be equipped with a FiberSkyn head on the left side.

While the PowerStroke head on the right side comes into operation, the FiberSkyn on the left side can be used for concert style music. This resembles look

and sound of a natural skin, but is on principle weather-resistant.
