Detailed information can be found at www.lefima.de

These snare drums belong to the most popular because they combine high tonal quality with a good pricing conception. Some models are manufactured almost unchanged for over 40 years now and the market is not imaginable without. Now and then musicians trust in the approved quality and are convinced by the sound.

New for 2013 is our extremely lightweight and completely rustproof metal snare drum shell. With it's cool refined brushed finish this elegant easy to care for drum with it's assertive sound and dynamic response makes it an ideal choice for a marching band.

Design features

Non rusting metal shell, chromed triple-flanged rims, strainer #ZA-ABH-0467-000, removable ring control #243, snap-on carrying bar #8860, extra padded flexi-leg rest (stainless steel), tuning key
